Subject: number of gender neutral toilets, cost of installing these toilets and complaints made to the Trust about these toilets

This is an information request relating to gender neutral toilets at the Trust.
Please include the information for each of the following periods; 2018-19, 2019-20, 2020-21, 2021-22:

- Q1 The number of gender neutral toilets installed at the Trust during this time or the number of pre-existing toilets which have been converted into gender neutral toilets. Please do not include disabled toilets in this list.
- A1 Information not held - we do not hold information on the specific nature of each toilet installed on the site, other than accessible status, and we only hold the total number of all toilets. Other than staff change toilets, which split male and female, all publicly accessible toilets are considered to be neutral in that they are for the use of any gender as they are all single occupancy.
- Q2 The cost of installing these toilets or the cost of converting the pre-existing toilets
- A2 Not applicable, as per A1
- Q3 Copies of any complaints made to the Trust about these toilets, with any necessary redactions
- A3 Information not held – we've not received any complaints regarding toilets.
