

Children's Community Nursing Team (CCNT)

The Children's Community Nursing Team

Information for parents and carers

Introduction

The leaflet aims to provide you with information about a nursing service provided to patients and their families. If you have any queries or wish to speak to a member of the team about the service please ring the telephone number provided.

What is the Children's Community Nursing Team (CCNT)?

The CCNT comprises of a team of experienced children's nurses. The team provides nursing care for children and young people in their own home or within a community setting.

Why are children and young people referred to CCNT?

Children and young people will have been referred to the CCNT service for nursing support within the community setting.

Do the CCNT provide care and treatment to all patients?

The team see children and young people aged 0-16 years who have a nursing need in Liverpool, and South Sefton. They also see some children in certain patient groups in West Lancs & Knowsley.

What are the CCNT aims?

- To provide a service that enables children to be nursed at home with their family or guardian.
- To reduce hospital admission and to shorten the time spent in hospital.
- To work closely with other professionals.
- To provide training to nursery staff, school staff, carers and other agencies.

When is the service available to provide care and treatment patients?

The nurses in CCNT work in shifts from 8.00am- 21.30 pm, seven days a week

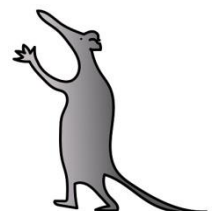

Where is the CCNT based?

The CCNT have their offices in Alder Hey Hospital in Liverpool

How to contact CCNT

Please telephone: **0151 293 3593** or **0151 252 5064** or alternatively please call the teams mobile phone on **07805 793178**

Please be aware that if staff are out on visits your call will be forwarded to an answer phone and may not be dealt with until the next working day if it is after 6.30pm.

This leaflet only gives general information. You must always discuss the individual treatment of your child with the appropriate member of staff. Do not rely on this leaflet alone for information about your child's treatment.

This information can be made available in other languages and formats if requested.
