

Radiology Department

**Here is one of our
Radiology
Receptionists.**

**She is based in the
Atrium just outside of
the Radiology
Department**

8507

Radiology Department

This is the entrance to the Radiology Department.

8510

Radiology Department

**This is what you will see
when you come through
the doors**

8512

Radiology Department

**We have lovely art work
on the walls in some of
the waiting rooms**

8514

Radiology Department

There are a lot of different procedures that take place in this department.

Here is a sign directing people which rooms to go to.

Radiology Department

Here is the entrance to the X-Ray room

8519

Radiology Department

**Here is a sign outside
the X-Ray Room**

8518

Radiology Department

This is what you might see when you first come into the x-ray room

8541

Radiology Department

**This is the inside of the
X-Ray Room with one of
the Radiographers**

8526

Radiology Department

- **This is another view of the X-Ray Room with a Radiographer behind a window.**
- **The Radiographer will stay behind the window to operate the X-Ray computers.**

8531

Radiology Department

- **This X-ray machine is used to take X-rays of your face**

8537

Radiology Department

This X-ray machine is used to take pictures of your teeth.

8538

Radiology Department

This is the X-ray camera.

- 85412

Radiology Department

This is the part the Radiographer uses to select your picture

8742

Radiology Department

Here a Radiographer helps a patient get ready for her X-ray.

8743

Radiology Department

Here a patient is lying down ready for his X-ray
