

This transition leaflet is part of a series aimed at young people and is produced by the North West Cleft Lip and Palate Network.

You must always discuss your treatment with the appropriate member of staff. Do not rely on this leaflet alone for information about your treatment.

This information can be made available in other languages and formats if requested.

Cleft Department

My transition journey with the Cleft Team at Alder Hey

My name is

My treatment record

Use this page to keep track of any surgery, treatment or other support you have had for your cleft lip and/or palate. It might be helpful to ask your parents, carers or the Cleft Team to help you fill this in. Some of the things you have had done may have been when you were a baby – so we do not expect you to remember it all.

The type of cleft I have is

My other health conditions are

Surgery, dental or orthotic treatment

Date	Type of Treatment	Who did it?	What was it for?
