

Going to clinic

To get to some of our Outpatient Clinics you might need to use a lift.

This is one of the routes you would take to the lifts that take you to the clinic.

Going to Clinic

To get to some of our Outpatient Clinics you might need to use a lift.

Going to Clinic

Here is a boy in the corridor pressing the lift button.

Going to Clinic

This is what the inside of one of our lifts look like.

Going to Clinic

This is the view from the inside of a lift before the doors shut.

Going to Clinic

Here is a young girl pressing the button on the inside of the lift.

Going to Clinic

Sometimes you might have to walk down a long white corridor to get to clinic.
