**Date:** 30 April 2024  
**Subject:** Oncology Harm Reviews

Q1 The number of oncology patients awaiting a Harm Review from the trust.

A1 Zero

Q2 Does the trust have a dedicated IT system to support the harm review process?  
a. If so, what is the name of this system?  
b. When was this system implemented?

A2 The trust has a clinical harm review form available within the electronic patient record where the harm reviews undertaken are to be recorded. The Trusts Electronic Patient Record is Meditech.
