Subject: NHS Payment Schemes Tariff Codes used by Specialty in Insourced Services

I am submitting a request under the Freedom of Information Act 2000 to understand which Healthcare Resource Group (HRG) / NHS Payment Scheme tariff codes have been associated with elective care insourcing services, broken down by specialty and delivery type, within Alder Hey Children's NHS Foundation Trust.

Can you provide this information for financial years 2022-23, 2023-24, 2024-25 to date

- Q1 Codes used by insourcing provider: Please provide a list of each individual tariff (HRG) code, HRG reference name, and total count of references for each code for activity completed by third party insourcing providers. We do not need to know the provider nor the spend. Just the total number of references per code (e.g., FZ51Z, Diagnostic Colonoscopy. Count: 76).
