Subject: Inventory Management System/ Point of Care Solutions

This request relates In-Trust / Health Board inventory management / point of care solutions, the purpose of which is to increase visibility of where inventory sits in the supply chain.

Please provide the following information you have pertaining to inventory management / point of care solutions:

Q1 Does the Trust / Health Board use a third-party inventory management / point of care solution?

A1 No

Q2 If yes – please confirm:

- a) Which inventory management / point of care solution you use.
- b) Contract value (p.a.)
- c) Contract renewal date
- d): When did the Trust / Health Board first start using this solution?

A2 Not applicable, as per A1

Q3 If no – does the Trust / Health Board use any internally-built IT inventory management / point of care solutions?

A3 No

Q4 Please could you indicate which department(s) in the Trust / Health Board use inventory management / point of care solutions, whether third-party or internal?

A4 Not applicable, as per A3
