

**Reference Number:** FOIAH2425/485  
**From:** Private Individual  
**Date:** 22 November 2024  
**Subject:** Mental Health treatments

I am trying to understand the medications and provision of mental health services that is taking place in the UK. Specifically, can you inform me of the following for the financial year 2023/2024:

**Q1** Tetrabenazine usage. I am trying to determine the disease areas for the usage of Tetrabenazine. Therefore, where possible to split the usage between the following disease areas.

**A1**

Disease	Patient Numbers on Tetrabenazine	Percentage
Huntington's Disease	Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data. In order to confirm treatment following medication being dispensed, the Trust would be required to access personal data of the individuals and as such the data is exempt under Section 40: Personal data.	
Tardive Dyskinesia		
Parkinson's disease		
Medication induced Dystonia		

**Q2** I am also trying to define the treatment sites for mental health provision within both the hospital and community settings, e.g.

- Hospital A, Address 1, Address 2, Town, County, Postcode
- Hospital B, Address 1, Address 2, Town, County, Postcode
- Clinic Y, Address 1, Address 2, Town, County, Postcode

**A2**

- Alder Hey Children's NHS Foundation Trust. Eaton Road Liverpool, L12 2AP
- Not applicable – Alder Hey is a single site hospital.
- Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information reasonably accessible to the applicant by other means'. This information is available on our website, it can be found here: <https://www.alderhey.nhs.uk/services/mental-health-hub/>
