

Reference Number: FOIAH2425/339
From: Private Individual
Date: 24 September 2024
Subject: Maintenance to Buildings due to Asbestos

- Q1 a) I would like to request the amount of buildings used by the trust which still contain asbestos as of the most recent figures available in 2024.
- b) I would also like to know how this number compares with the equivalent figure at the same time in each of three previous calendar years (2023, 2022 and 2021).
- A1 a) One- Beech House (Old Police Station)
b) The Trust has undergone a demolition programme of all buildings built prior to the year 2000 between 2016 up to 2021. Therefore, figures for 2021, 2022 and 2023 were zero.
- Q2 a) I would like for the amount of repairs that have been done to buildings used by the trust due to issues caused by asbestos in 2024, 2023, 2022 and 2021
- a) The total cost of those repairs in each year (2024, 2023, 2022 and 2021)
- A2 a) No repairs conducted- buildings built prior to 2000 have been demolished. Beech House has undergone a capital project. Buildings built after 2000 did not require asbestos testing.
b) Information not held, no repairs conducted as per 2a.
